

A Big Thank You

Once again Cottingham Hall would like to thank all families and visitors for their continual support.

Visiting arrangements

Visiting still remains by appointment only. We feel this system enables people to visit the home without it becoming overcrowded, which helps to keep our residents safe. We ask that all visitors continue to wear a face mask.

Christmas Day

If you would like to order a Christmas dinner at the care home, could you please let the kitchen staff or management know. This is subject to availability and limited to one person per resident with a charge of £10. Please also let staff know if you are planning a Christmas Day visit. Please note there are no visits between 11.30am – 1.30pm.

Christmas gifts

Could you please ensure that any Christmas cards and gifts are clearly addressed with the resident's full name on. This is to avoid any confusion when handing the gifts over.

Events

We would like to wish one of our residents a Happy 90th Birthday, which we celebrated with entertainment from Terry Megeary (singer) and not forgetting a lovely buffet and birthday cake. As part of our Halloween celebrations, we decorated cakes with Halloween toppings, played quizzes and bingo and carved out pumpkins to place in our garden. We were also entertained by singer Terry Megeary.

Future events

Our calendar is full and looking very exciting leading up to Christmas! We are looking forward to visits from our local churches, Cottingham Road Baptist, Hull Vineyard Church and Christ Church Newland. We have lots of visits planned from Little Einstein's nursery and Penguin Day nursery, which will involve the children singing Christmas songs, carols and making Christmas cards for the residents. We are looking forward to welcoming back into our home a number of schools over the Christmas period that will be singing carols and chatting to our residents. Singers Terry Megeary and Alf Berry are coming to entertain us again over the Christmas period and are really excited to be part of our Christmas celebrations! Also, not forgetting a visit from Furry Friends, who will be bringing their ponies in to visit us!

Hairdresser

We have booked the hairdresser to come to the home on a Monday. This will be on a weekly basis.

Chiropodist

The chiropodist has also been booked to visit the home every 6 weeks.

If you would like a relative to be seen by either the hairdresser or the chiropodist, please ensure that funds are topped up to allow for this.
