

The management and staff at Cottingham Hall appreciate all the support and cooperation shown to us throughout the year from all visitors and families.

Visiting Arrangements

We are open to all visits, however please avoid meal times where possible.

Maternity Leave. Our manager (Kerry) is currently on maternity leave. We wish her the best of luck with her new venture. If there are any queries or concerns please email the deputy manager on: deputy@cottinghamhall.com

Welcome to our new Handyman.

We would like to welcome Steve, our new Handyman. Please let him or management know if any maintenance work is needed.

Sam's Safaris.

Our residents thoroughly enjoyed an afternoon visit from Sam's Safaris who brought a selection of reptiles, amphibians, birds and mammals from around the world. The session was very informative, as we found out a lot of interesting facts about each animal, this included the habitat of the animal, the age and what food they eat. Each resident had the opportunity to handle the animals if they wished to. Jemima the duck was very popular with lots of residents choosing to hold her!

Terry Megeary

We also had another visit from Terry Megeary a regular visitor to Cottingham Hall who entertained all our residents recently.

Other Visits

We are very grateful to all the nurseries, Little Einsteins and Penguin Day nursery and churches, Hull Vineyard and Cottingham Road Baptist church for their continual support, which is much appreciated.

Pet Respect

Our residents enjoyed a visit recently from Pet Respect, who brought along 3 of their dogs to visit us, Bonnie, Lady and Simba. This was a lovely afternoon where everyone had a chance to see the dogs that were brought in to the home and pet them if they wished.

Hairdresser

We have booked the hairdresser to come to the home on a Monday/Thursday. This will be on a weekly basis.

Chiropodist

The chiropodist has also been booked to visit the home every 6 weeks.

If you would like a relative to be seen by either the hairdresser or the chiropodist, please ensure that funds are topped up to allow for this.

Future Events.

Our future events include a visit by Beverley Hand Bell Ringers. All the residents are encouraged to sing along to the songs that are being played and are given a small musical instrument that allows them to join in with the performance. We've been fortunate to have them visit us before and we know that we will have a lovely afternoon when they visit us again.

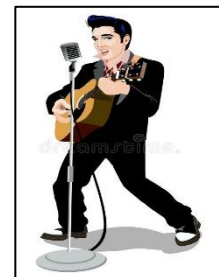

We are also looking forward to seeing singer Terry Megeary again. Terry is a regular here at Cottingham Hall and we are always guaranteed a lovely afternoon filled with upliftment, music and laughter.

Pet Respect (Becca and her dog Lady) who have visited Cottingham Hall recently and has proved to be a great success will be coming back on a regular basis to our home. Lady is a beautiful Springeroodle dog and has performed many tricks for our residents to see!

Our regular churches, Hull Vineyard Church, Cottingham Road Baptist and Newland Street John's will all be visiting us again over the next few months. We would like to take this opportunity to thank everyone for their continual support as it is very much appreciated.

We are also looking forward to visits over the Christmas period from Endseigh Holy Child, Sidmouth Primary School and St John's Newland.

Important Diary Date!

Our Christmas celebrations this year include an Elvis impersonator called Elvis G! We are looking forward to welcoming him to our home to entertain all of our residents at this special time of year.
